

Dear Community Business Member,

The 2018 Higley High School Football season is beginning soon and our football players are getting geared up for another remarkable season. We made it to the state semi finals for the 2<sup>nd</sup> straight season with eyes on a state championship in 2018!!

We are asking businesses from our community to take part in supporting their local football program. Your generous sponsorship provides for needed equipment and supplies that are not within the funding provided by Higley Unified School District. This support enables the program to reward our student athletes for the hard work put forth throughout the football season. Our program emphasizes and promotes teamwork, good sportsmanship, citizenship, respect for coaches, teammates, opponents, and the community they represent.

For supporting the Higley Football Program you will be included in our 2018 Football Team Program and/or a 5'X7' banner that will be displayed around the football field. The banner will be proudly displayed throughout the football season at ALL home football games. This is a great way to show your community support and promote your business. The program will include a sponsor ad, team photo, and game schedules for the Freshman, Junior Varsity, and Varsity teams.

Thank you in advance for your generous support of the Higley High School Football Program. If you have questions, or need further information, please contact our Sponsorship Coordinator, Eric Brasch at 602-284-1612. Respectfully,

Eddy Zubey  
Head Coach, Higley Football
